ПАЛЕОНТОЛОГИЧЕСКИЙ
ЖУРНАЛ

PUBLISHED BY THE AMERICAN GEOLOGICAL INSTITUTE

The PALEONTOLOGICAL JOURNAL is a quarterly publication of the American Geological Institute with supplemental support from the National Science Foundation. It is translated from *Paleontologicheskii Zhurnal* on the advice of the AGI Translations Committee and with the cooperation of paleontologists of the U.S. Geological Survey, U.S. National Museum, and the Geological Survey of Canada. Accurate and faithful translation is intended so that the views expressed be those of the original authors and not those of the translators on the American Geological Institute.
